

Corrected final result

of the public takeover offer by

CRH Europe Holding BV, Rijswijk, The Netherlands

for all publicly held registered shares with a par value of CHF 1 each of

Gétaz Romang Holding SA, Vevey, Switzerland

On 15 March 2007, CRH Europe Holding BV ("**CRH Europe**") made a public takeover offer (the "**Offer**") for all publicly held registered shares with a par value of CHF 1 each of Gétaz Romang Holding SA ("**Gétaz Romang**" and "**Gétaz Romang Shares**", respectively). The final result of the Offer was published on 9 May 2007. The Offer was settled on 18 May 2007 and CRH Europe acquired ownership of the 113,040 Gétaz Romang Shares which it had conditionally purchased from Messrs. Jean-Jacques Miauton and Sébastien Mottier on 25 May 2007.

After publication of the final result of the Offer, it emerged that 2,244 Gétaz Romang Shares which had been reported as being held in treasury by Gétaz Romang had, in fact, been notified for acceptance in the Offer. The final result that was published on 9 May 2007 was consequently inaccurate in this respect and is now being corrected and updated as follows:

Corrected final result

Upon expiration of the additional acceptance period of the Offer on 3 May 2007, 319,277 Gétaz Romang Shares had been notified for acceptance in the Offer.

Taking into account the 43,000 Gétaz Romang Shares indirectly held by CRH Europe before publication of the Offer, the 113,040 Gétaz Romang Shares purchased from Messrs. Jean-Jacques Miauton and Sébastien Mottier and the 319,277 Gétaz Romang Shares notified for acceptance in the Offer, CRH Europe held, as of 25 May 2007, a total of 475,317 Gétaz Romang Shares, representing 99.02% of the share capital and voting rights of Gétaz Romang (and not 99.49% as previously reported). As of 29 June 2007, CRH Europe does not hold directly, indirectly or in concert with third parties, other Gétaz Romang Shares than those referred to above.
