## **MEDIA RELEASE**

### **Forbo Holding Ltd fixed-price share buyback program: Rectification of the number of registered shares tendered**

With reference to the media release published by Forbo before the stock market opened on October 20, 2015, Forbo and SIX SIS herewith disclose that as a result of a transmission error at SIX SIS the announced number of registered shares tendered needs to be rectified as follows:

Within the framework of the fixed-price share buyback program made on October 6, 2015, a total of **81,317** registered shares (**4.09%** of the share capital) were tendered to Forbo.
